

ARTICLE VI - CONSTRUCTION OF ORDINANCE

601. **Conflicts Between General and Specific Provisions**

When (if ever) a general provision or requirement of the Building Ordinance conflicts with a specific provision thereof relating to the construction, equipment, maintenance, use, or location of any building, structure, or any portion thereof, in said Village, then, and for that case, the specific provision or requirement shall prevail and govern.

602. **Invalidity of One Portion of Ordinance Shall Not Affect Remainder**

In administering and enforcing the Building Ordinance, the invalidity (if any) of any section or of any provision thereof shall not be constructed or held to invalidate any other section or any provision thereof - unless such invalidity shall have been specifically established. The invalidity (if any) of any section of any provision of the Building Ordinance, when applied to buildings, structures, or any portion thereof completed before the adoption of said Ordinance, shall not, for such cause, be construed or held to be invalid in its application to buildings, structures, or any portion thereof constructed subsequent to said adoption - unless such invalidity shall have been otherwise specifically in its application to such subsequent work.
